BUP Students Conference 2018

Innovation for Sustainable Development: Resource and Energy Efficiency in Production and Transportation

Please note:

- The **target group** of the course is Bachelor and Master students from the Baltic Sea Region, especially with technical background and at least one year of experience. However, we also welcome participants from other fields of study and disciplines.
- All cost of the event (i.e. food and accommodation) are covered, thus, there is **no participation fee for BUB-member universities**.
- However, **participants have to cover their own travel expenses to and from Zittau, Germany**.
- For interested participants from other universities, i.e. **non-BUP** members, a conference fee of **250 EUR** applies.
- An official **BUP-certificate of participation** will be issued by the Baltic University Programme to all participants who have attended the Students' Conference.
