DEAN'S REGULATION NO 18/2024-2028

29 January 2025

## § 1

According to §4.2 of the Rules of the program “Financing the publication costs 2025” (attachment to ZW 3/2025) I set the following rules for using the funds of the Program at WPPT.

1. Eligible expenses are necessary costs of publications published in 2025
  - a) in journals for at least 140 points;
  - b) in journals for at least 100 points, if the paper is co-authored by a PhD student at the Doctoral School of PWr.Costs of Open Access are eligible if required by the funding agency at the date of submitting the paper.
2. Publications that raise doubts as to their reliability and in journals whose publishing process and review standards raise doubts are excluded from financing.
3. To finance a publication, a researcher submits the invoice to the head of the department or director of the institute along with the accepted author manuscript of the publication, its bibliographic data, a list of projects carried out at WPPT and indicated in the publication as a source of funding, and information on co-authors who are employees of other faculties of PWr.
4. The head of the department or director of the institute verifies the publication in terms of the criteria listed in point 2, and then forwards the invoice to the finance unit of the Faculty, at the same time entering information about the publication in the table provided.
5. The costs of publications meeting the criteria specified in points 1 and 2 and qualifying for the university Program are covered from the funds of that program; the costs of other publications meeting these criteria are covered from faculty funds.
6. In the case of monographs, the decision on financing will be made in a separate procedure.

## § 2

This regulation shall enter into force on the date of publication.
